Artweeks Christmas Open Studios

This year we have twenty two artists exhibiting in Charlbury! Some have opened their own studios while others are sharing exhibiting space in workshops and gardens or larger spaces such as St Mary's Church and the Cornbury Room behind the Bell. We have a diverse range of artwork including paintings in oil, watercolour and mixed media, prints, silverwork, pottery, sculpture, ceramics and installations. An opportunity for visitors to browse and perhaps buy something quite different and unique for Christmas.
