

Jeffery Courtney

Jeffery is a professional painter who loves to paint in the figurative tradition capturing the light, stillness and presence of the subjects he chooses. He will be working in his studio and there will be work for sale on display on the ground floor of the cottage. The studio will be open to visitors, as long as covid rules allow of course, as part of the **Watlington Art Weeks**. You are most welcome to visit and if you wish to ring before to book a time please do. Access will be limited to maintain social distance rules as the cottage is not large, so you may be asked to wait. The premises will be well ventilated and you will be asked to respect any current covid rules like keeping social distances, wearing a mask and using the hand sanitiser provided. If you would like to see the work on show but do not wish to come to the studio then please email us and we will send you a dropbox link to a slide show.

We very much look forward to welcoming you.
