## **The Company**

“Oxford Visual Arts Festival Limited” (known as “Oxfordshire Artweeks”) was formed in 1981 and is now one of the largest Open Studio Festivals of visual arts in the country. It is directed by a non-executive Board whose members are interested or involved in visual arts and crafts throughout Oxfordshire. The Artweeks office is run by a part-time executive director and a part-time administrator who are appointed by the Board. “Oxfordshire Artweeks” refers to the three week, non-selective festival of art which takes place annually, across the county, normally in May.

## **Membership**

The organisation became a company, limited by guarantee in 1999, with all participating artists and makers becoming members of the company for the year they are exhibiting. Only members of the company are entitled to take part in the annual Artweeks’ festival. The Company undertakes to enter artists’ exhibition details into the festival Guide, to widely publicise the event and supply participants with publicity material. Membership also brings the benefits of regular newsletters, advice, networking, marketing opportunities, the opportunity to meet other local artists and the right to elect new board members at the Annual General Meeting. Membership runs from 1<sup>st</sup> January - 31<sup>st</sup> December each year.

Whether you intend to take part in Artweeks as an individual exhibitor or as part of a group, you must be covered by membership for the year you are exhibiting. Non-selling established Guilds, Societies, Schools, Charities, Community Groups, will be covered by a single membership application and payment, Businesses and Galleries will also be covered by a single membership.

## **Non Exhibiting Membership**

Membership is offered to artists who may not wish to take part in the event every year, but would like to remain on the mailing list

If you or an organisation which you represent would like to become a member of the company, please complete and return the form overleaf to the Artweeks’ office, together with the appropriate fee.

## **Paying membership on-line.**

**Additional benefits:** An on-line artist profile - the facility to upload an image of the artist at work, 6 additional images of artwork to an individual web gallery, a biography, additional information and contact details which can be updated throughout the year.
