

As the Oxfordshire Artweeks festival bursts into life across the county this month, we choose twelve favourites from the 40th anniversary show which you can see both at The Jam Factory, Oxford and online at [artweeks.org/](http://artweeks.org/) latest show. Rich with seasonal joy, these pieces illustrate just some of the talent you can explore in artists' open studios and pop-up exhibitions across the county this month.

1. **Claire Brookes** (Artweeks venue 87, Summertown) Ditchley Greens, West Oxfordshire. Fine art giclée photographic print, £200
